RSD Racing: mechanic-services, seasons 2019 - 2021

We offer for You to use in race-weekends 1, or 2, of our experienced motorsport-mechanics. Your team must be able to provide the mechanic/ mechanics their food, accommodation and travelling-expenses, however; there is no salary-demand.

One mechanic shall be available reserve-free in the Finnish events, and that mechanic can be contacted through Relaa Racing -crew in the paddock.

Any team interested in this opportunity may ask for more info and/or book right away their own 'spanner-man' via Esa Mäkeläinen, tel: +358400989398
